Dear Ms. Cook:

**RE: Aletratikhosroshahi & Radmehr Matrimonial
Newmarket Superior Court File #FC-18-56454-00**

I represent Mr. Radmehr in the above-noted proceedings.

We have been directed by Mr. Radmehr's local bank branch to your Legal Department regarding the attached document purporting to be a bank statement reflecting Mr. Radmehr's RBC Homeline Plan June 2017 Statement for RBC Homeline Plan Number 0275736-001.

We are seeking your department's review of the document to verify whether the contents and in particular the balances accurately reflect the information contained in your banking records for that time period.

The matter has some urgency so we would appreciate your immediate attention to the matter.

I can also be reached via email: mbury@bloorstreetlaw.com

Sincerely,

Michael Bury, LL.M.
